## Local News.

Just a little more than five weeks to Christmas.

Mrs. H. C. Ames returned from the hospital in Edmonton on Saturday. Though weak, she is doing as well as can be expected.

Rev. Mr. and Mrs. E. G. Turner, Mrs. F. W. Ghering, Mrs. G. Reel, Mrs. J. W. Sparks and Mrs. J. Woodley are attending the Baptist convention in Calgary.

J. Beck, Earl Kyles and John Hinkley were among the distinguished Ponoka stock raisers who attended the Calgary stock show last week.

Mr. and Mrs. R. M. Whitteccott returned from their visit to Lesser Slave Lake the other day. Bob had some fine hunting, both big game and ducks, but was somewhat handicapped by the weather, rain and then a heavy fall of snow.

A. D. Crawford has again taken charge of the curling rink and is busy making improvements on the building. Ago was the unanimous choice of the members at their recent meeting.

The curling and skating rinks have been receiving attention of late, and been flooded several times. The situation demands colder weather, and of course that will be forthcoming no doubt.

The town council acted properly in making the skating rink free to the citizens. There are people in town who cannot afford to pay for their children, and to deny them the privilege of the rink would certainly be a hardship. C. S. Wing was placed in charge of the rink for the season, and that means that the ice will receive proper attention.

It has come to our knowledge that some adverse criticism has been going the rounds regarding the new Chesterton bridge. This is unwarranted. The bridge is a good one—none better, and will be standing and doing service long after its predecessors are under the soil. Yes, the bridge is a good one, and the Chesterton people are proud of it.

We can croak and grouse all we have a mind to about things in general. Low prices, no markets for stock or poultry, the wheat board, and so forth, but when it comes to meditating on the weather we are enjoying, surely it is to be contented.

There was a good turnout of farmers and others to hear Professor H. S. Patten speak on the Canadian Banking System in the Empress Theatre on Saturday afternoon. The professor gave a lucid address, and at the close was subjected to a good deal of questioning by several local financial experts. C. C. Reel presided, and altogether it was a good and profitable meeting.

Bible lectures every Wednesday evening in the Union church at 8 p.m. Subject for November 15, "Moses." Speaker, Rev. Arthur Murphy, M.A.

ANDERSON.—On Sunday, Nov. 25, to Mr. and Mrs. Iver Anderson, a daughter.

DONAGHY.—On Thursday, Nov. 9, to Mr. and Mrs. Roy Donaghy, a son.

McDONALD.—On Monday, November 13, to Mr. and Mrs. P. McDonald, a daughter.

STEWART.—On Monday, Nov. 6, to Mr. and Mrs. J. I. Stewart, a daughter.

USHER.—On Tuesday, November 7, to Mr. and Mrs. John Usher, a son.

Several of our big game hunters have returned from their "fields of endeavour," and report that sport on the whole has been poor.

The new town sidewalks have been laid, and the citizens are enjoying the benefits. In all, 5015 feet were laid.

A public meeting will be held in Wood River Hall on Tuesday, Nov. 21st, commencing at 2:30 p.m., when addresses will be given by Mr. Lovell, of the ball insurance board, Mr. Lunt, deputy minister of municipal affairs, and Mr. Alton, government road inspector for this district. This will be a very important meeting, and every farmer should make a point of being present.

At the Empress—This week is an all-comely programme. On Thursday, "Captain Swift" a Vitaphone production, featuring Earl Williams. On Friday and Saturday, "Aero a Quilant," a Paramount production, featuring Wally Reid. Admission, 15c and 30c.

Having decided to retire from the millinery work, all goods in the store will be sold at less than cost here is a chance to get a few bargains—E. G. HEADLEY.

Lady's Glove lost in town on Sunday. Finder please leave it at Herald Office.

M. Mecklenburg, optometrist (eight measure), 30 years experience—17 years in Alberta, will again be at Ponoka on Thursday, November 23. Hours from 10 a.m. to 6 p.m.

### CARD OF THANKS

The parents and relatives of the late Horace Griffin wish to express their sincere thanks to the Ponoka hospital staff for the sympathy and respect shown in the erection of a stone at the grave of their late son.

H. Macdonald, General Manager and a Director of the million dollar Hydro Carbon Products Corporation, San Francisco, who is a business visitor to the city.

THE NEW HOG GRADING

Editor, P. O. Herald.

Dear Sir:—Will you please publish the following letter in the new hog grading part late in the month of November, which is expected to be on a day when one of the largest shipments of hogs made this year will be made, and everything but satisfactory to the farmer. The new grading system is intended to promote the best hogs in Canada for market and a premium of 10 per cent on hogs conforming to the required grade. Now, according to the grading system that has been in effect all summer and up till the present time, hogs weighing from 125 lbs. and up till 225 lbs. were selected and brought to the fair. Now to conform to the new grading they must weigh between 175 lbs. and 225 lbs. to be selected, raising the minimum of the old and not the maximum, leaving only 50 lbs. to go on, which means that we must have a stock more on the place. We are able to get within the mark. Now there were about 100 hogs sold at this shipping point on November 1st, of which 70 hogs were selected, 32 were lighter weighing 127 lbs. or averaging 150 lbs. these were not in part. It is weighing 175 lbs. or averaging 175 lbs. these were not 35 per cent, the four were heavier. You will not see that the farmers who, each of the 100 hogs had from 15 to 35 per cent under the new grading, and not losing the hogs that were at home again to be returned possibly at a lower market. And not a farmer that I know of got the 10 per cent premium. The buyers or packers seemed to get all the advantage and were not at all the hogs. It seems to me that the hogs on the lighter hogs could at least have been more graded away from a 15 to 16 lb. hogs weighing from a 125 lbs. to 175 lbs. and not a cent of it and more on hogs weighing within 5, 10 or 15 lbs. of the required weight. I am sure that have been more graded till we get used to it. It seems funny that this system had to come into effect at this time of the year, and when the country is short of food grain. It seems to me that the new grading is a thing to do something to do for the farmer in his time of need.
